

## Chinen Sensei Celebrates 40 Years In Spokane

Teruo Chinen recently celebrated forty years of teaching karate in Spokane, WA. He has written an autobiography titled *Forty Years of Chamber* describing some of his experiences during that time. It is a wonderful accounting by this knowledgeable and unassuming gentleman of his life to this point and his ideas for the future. We of the GKK have had a long and beneficial relationship with Chinen Sensei and offer our heartfelt congratulations on this and all of his accomplishments.
